DESIGN YOUR PERFECT BED

The Heritage Collection has been designed to make finding your perfect bed as easy as one two three.

1) Choose your mattress

The key to owning the perfect mattress is to take your time trying them. Consider your sleeping positions and the most comfortable size. Bear in mind that a larger bed will typically give you more space to enjoy an undisturbed night's sleep.

2) Choose your divan

Complement your mattress and refine the comfort by selecting the Heritage divan that suits you best. Consider adding storage to your divan from a selection of drawer options or an ottoman base.

3) Choose your headboard and fabric

Your perfect mattress and divan can be tailored to suit your individual taste and home decor with a Heritage Collection headboard. Choose from a vast array of stylish fabrics to complete your perfect bedroom.

THE PERFECT DIVAN

The marriage between mattress and divan is very important to your comfort. Selecting the right divan is as important as selecting the right mattress. Divans can be selected to fine tune your mattress, whether you wish it to be firmer or softer.
