

premiAIR

REPOSE GEL FUSION 2400

COMFORT ZONE

A 100% natural Probiotic fabric treatment to protect against allergens, bacteria and odours, promoting a fresh and healthy mattress.

New and innovative **cool touch fabric technology creates a cooler sleep environment** to aid the transition to a relaxing night's sleep

An environmentally sustainable smart fibre that works by **wicking away moisture to provide a cool and refreshing night's sleep.**

A blend of highly breathable, responsive and pressure relieving latex with **cooling gel that disperses excess body heat away for a comfortable sleep.**

800 Mini Pocket springs for finer body contouring and individual comfort.

SUPPORT ZONE

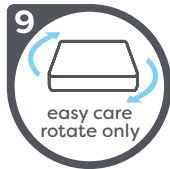

Provides a resilient and supportive feel.

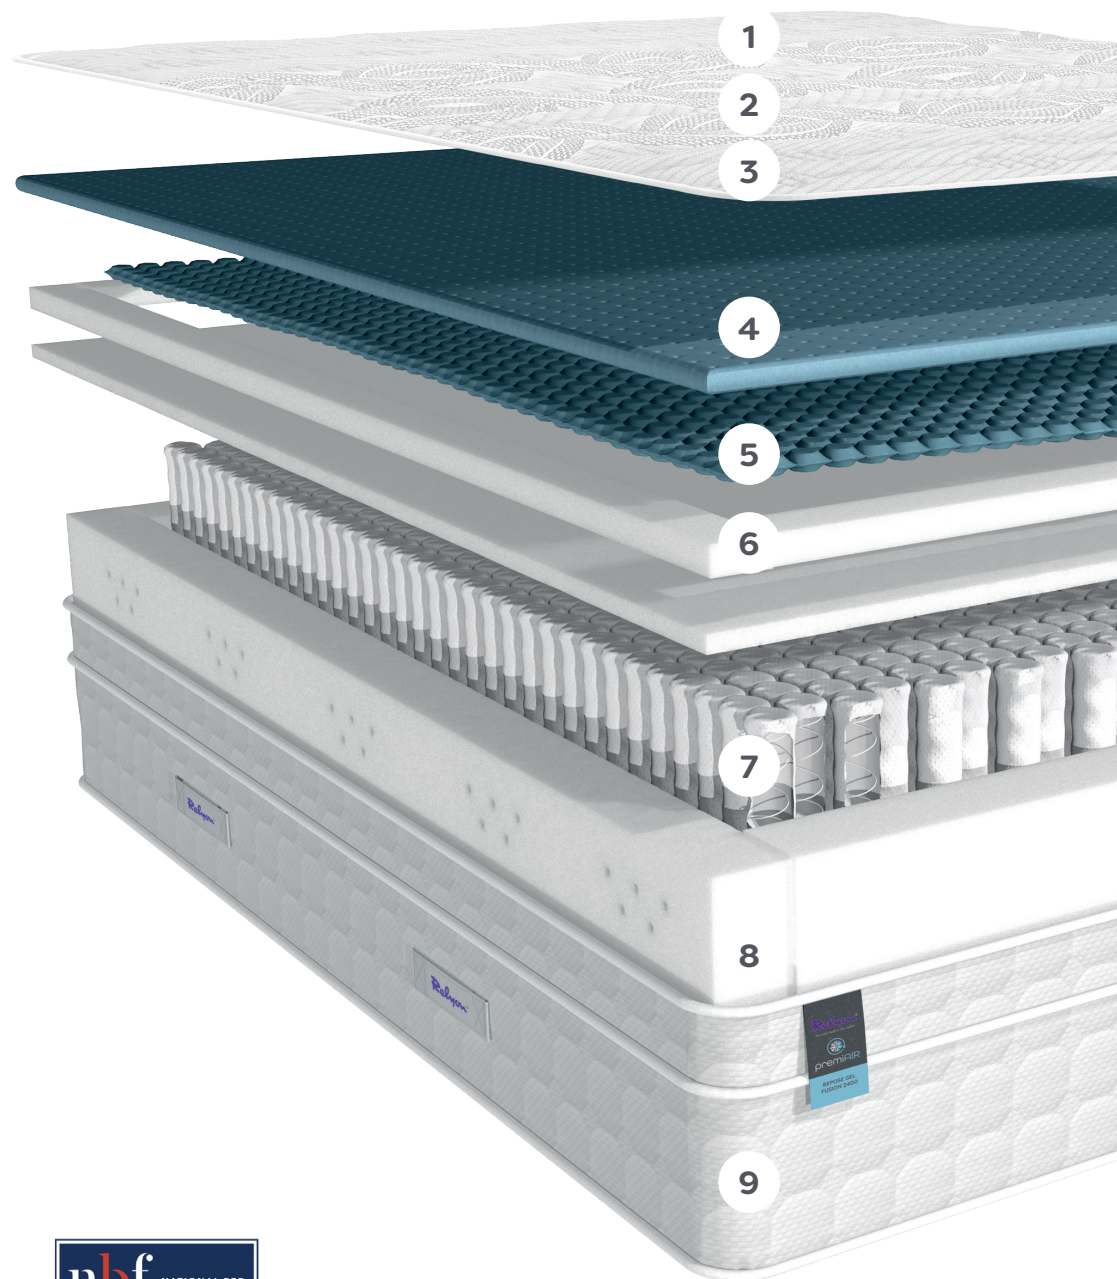

1600 Pocket springs provide pressure relief and perfect support for you and your partner.

A uniquely designed, **ventilated mattress edge support system** that breathes with you.

Simply rotate the mattress regularly to help prolong the life of the mattress. **No turning required**

Made in the UK

Spring counts quoted are equivalent to the total number of springs in a full size 150cm mattress
