

Relyon® Peerless

Montacute

4500* Triple Layer of Calico Pocket Springs

Individual coiled springs, sewn into calico cotton pockets provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

Hand-Nested and Hand-Centre Tied

Individual springs sewn in calico cotton pockets are hand-nested in a honeycomb pattern and hand-centre tied with waxed linen cord. This construction removes movement transfer to help provide a more restful sleep.

Spring Tension

Available in softer, medium or firmer.

Combination Tensions

Available in combination tensions

Hand Teased Horse Hair

Horse hair is the longest natural fibre, twisted to provide extra resilience and bounce. Horse hair is the perfect natural spring partner for our sumptuous beds.

Cambric Blanket

A tight weave cotton fabric that prevents horse hair escaping up through the mattress comfort layers.

Hand Teased Mohair

Mohair is resilient, soft and luxuriously comfortable. Warm in winter due to its insulating properties and cool in the summer due to its moisture wicking properties.

Hand Teased Cashmere

Cashmere is the wool of the Kashmir goat. It is wonderfully insulating and absorbent and is used to help regulate a comfortable sleeping environment.

Hand Teased Merino Wool

Merino wool is sumptuous and also has great hygroscopic properties encouraging the evaporation of body moisture, ensuring a really comfortable sleeping environment.

Hand Teased Lambswool

Lambswool is a natural insulator providing coolness in the summer and warmth in the winter. Lambswool also offers superb comfort as it is soft and very elastic.

Lambswool

Lambswool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

Camel Hair

Camel hair has thermostatic properties, guaranteeing coolness in the summer and warmth in the winter. Camel hair is also extremely soft and provides an extra luxurious feel.

Wool

Wool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

100% Natural Belgian Damask

Our highest quality natural mattress fabric which has a lovely soft handle and is both colourfast and breathable.

M Pure Natural FR Treatment

M-Pure is a natural fire resistant treatment, and uses biologically based ingredients that make it biodegradable, environmentally friendly and 100% sustainable.

5 Rows of Hand Side Stitching

Skilled craftsmen use upholstery needles to hand stitch the mattress borders to provide better support and extending the sleeping area to the edge of the mattress.

Hand Tufted with Wool Tufts

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

Turnable

Both sides can be used prolonging the life of the product. Turnover and rotate your mattress once a week for the first 3 months and then once a month thereafter.

Mattress | 21 comfort layers

Mattress springs

- 4500* hand-nested and hand-centre-tied calico pocketed springs arranged in three layers

*in king size (150 x 200cm) mattress
