DESIGN YOUR PERFECT BED

The Natural Ortho Collection has been designed to make finding your perfect bed as easy as one two three.

1) Choose your mattress

The key to owning the perfect mattress is to take your time trying them. Consider your sleeping positions and the most comfortable size. Bear in mind that a larger bed will typically give you more space to enjoy an undisturbed night's sleep.

2) Choose your divan

Complement your mattress and refine the comfort by selecting a divan that suits you best. Consider adding storage to your divan from a selection of drawer options or an ottoman base.

3) Choose your headboard and fabric

Your perfect mattress and divan can be tailored to suit your individual taste and home decor with a headboard. Choose from a vast array of stylish fabrics to complete your perfect bedroom.

THE PERFECT DIVAN

The marriage between mattress and divan is very important to your comfort. Selecting the right divan is as important as selecting the right mattress. Divans can be selected to fine tune your mattress, whether you wish it to be firmer or softer.

Firm edge pocketed divan

Pocketed springs sit inside a wooden sided frame. The pocketed springs soften the comfort of a mattress and the firm edges help prevent “roll off” on the side of the bed. Drawer options available.

- Standard height option 41.5cm
- Medium feel

Padded top ottoman

Ingenious storage solution option, more storage space than a drawer divan.

- Height 41.5cm
- Extra firm feel

TRADITIONAL TIMBER DRAWERS

Storage is a precious commodity in most modern homes. Our superior quality drawer options are the perfect bedroom tidying solution. Available on our firm edge pocketed divan option. For durability, we have developed steel ball bearing runners that have a brilliantly smooth action.

OTTOMAN STORAGE DIVAN

The padded top ottoman divan is an ideal solution if space is limited in your bedroom as it provides generous storage space for linen, towels or clothes. The base lifts easily with the help of gas rams and hinges. A king size (150 x 200cm) ottoman divan has six times more space than a two drawer divan. Hand cut outs make it easier to open your ottoman and provide a cleaner look than handles.

HEADBOARDS

To personalise and complete your Relyon mattress and divan we have designed a range of nine headboards offering a blend of modern, traditional and contemporary styles. Available in a host of fabric options and heights, these beautifully hand-crafted headboards will form the centre piece of your dream bedroom.
