Foam Mattress

Mattress border height 18cm*
*includes maximum tolerance for loft of quilted case
Weight 11kg per mattress

Upholstery fillings

- Resilient foam
- COOLMAX® removable case

COOLMAX® fabric is a unique material used to keep the body cool whilst sleeping. COOLMAX® is highly permeable which allows moisture from your body to be carried away and fresh air to reach your skin. This helps maintain your body temperature during sleeping, ensuring a comfortable night's sleep. COOLMAX® fabric is a trademark of INVISTA.

Key features

- Anti-allergenic
- Removable and washable zipped case. Washable at 40°C
- One standard tension only
- Turnable mattress.

Both sides can be used prolonging the life of the product. To do so, simply unzip and remove the cover, turn over the foam mattress core, and then put the cover back on again.
